

# OS MasterMap module

## This program requires AEGIS 3

---

If purchasing AEGIS 3 and the OS MasterMap module at the same time, one disk will be supplied with two licence keys: one for AEGIS and the other for OS MasterMap module.

The licence key provided will be for a single, 20 station or full site licence to match your AEGIS 3 purchase.

## What's on the disk?

### **The OS MasterMap module includes:**

- A separate licence key for the OS MasterMap module
- OS MasterMap manual

## Sample files

- MasterMap buildings – AEGIS file  
You can use this file to practise creating an urban land use map.
- MasterMap land – AEGIS file  
This file is for practise in creating a rural land use map.
- MasterMap Roads – AEGIS file  
You can use this file to practise making a traffic survey
- Original Zipped sample OS MasterMap file  
To practise loading an OS Mastermap file into AEGIS.

There's additional guidance on using these sample files with the OS MasterMap module in AEGIS 3, Tutorials, on the Advisory Unit's web site.
