

How to find The Advisory Unit:

© Google Maps

By road: The Innovation Centre is on the University of Hertfordshire's College Lane Campus, just off Junction 3 of the A1(M) at Hatfield and about 5 minutes from the M25. Parking is limited on site so we recommend that you contact sales@advisory-unit.org.uk before your visit to arrange parking.

By rail: If you are coming by public transport it is 1.5 miles from Hatfield BR station on the main line north from King's Cross, London (25 mins). Trains also run on this line from 'National Rail' at Finsbury Park (Piccadilly and Victoria underground lines).

When at the station take a taxi to the 'College Lane barrier' which is near the Innovation Centre – just walk past the barrier and take the second entrance on your left where you will see the Innovation Centre building ahead.

There is also a regular bus service from the station to the College Lane Campus.
